The 2020 Wimbledon Championships
From 29th June to 12th July 2020

Take this unique opportunity to attend the world’s premier Grand Slam tennis championships. You and your students can be there, soaking up the atmosphere and watching the action on the outside courts or even on No.1, No.2 or No.3 Courts, if you choose to book from our allocation of tickets for these show courts.

Our two and three day tours take place throughout The Championships, so that as well as watching the action courtside, you and your students can also join the crowds on ‘Henman Hill’ or ‘Murray Mount’, as it is increasingly known, and watch play on Centre Court on the huge TV screen.

You might even catch some action later in the day on Centre Court itself if you are lucky enough to buy re-sale tickets, which are sold for charity at a reduced price as some of the Centre Court ticket-holders leave during the late afternoon.

Our two-day tour prices shown opposite range start from £179 per student. Naturally, the tour price you pay will reflect the quality of the matches scheduled for your chosen date and court. Demand for tour dates in the first week of the Championships is always very high, with many of our student groups experiencing some fantastic tennis matches over the years - with some fortunate enough to have seen Britain’s very own Andy Murray in action!

On our two and three day tours, in addition to your day at Wimbledon, we have also arranged for you to spend time in central London, for the chance to enjoy the world-renowned sights on our included sightseeing tour and select from our range of visits and attractions.

These tours offer a great experience for all students, not just tennis fans, providing them with the opportunity to attend one of the world’s great sporting events - make sure you don’t miss out!

Day One
You will be collected from your school or college early in the morning and then taken to Wimbledon. We plan to arrive during the late morning, in good time to see play commence.

Play normally commences at around 1pm or 2pm on No.1 Court, and generally a little earlier on No.2 and No.3 Courts and the outside courts. The Championships’ scheduling and how the weather has been during the previous days will determine exactly which matches are played on each court, however, whatever matches you see, you are sure to be amazed at the incredible quality and speed of the tennis!

At the close of play, which can be at any time between 6.30pm and 8.30pm, dependent on the number and length of the matches to be played, we will transfer you to your overnight accommodation. We recommend that you have an early dinner at Wimbledon, prior to departing for your hotel.

Day Two
This morning, after breakfast, we will head in to central London. We will start the day with our included sightseeing tour, that will take in many of the city’s world renowned sights, including the Houses of Parliament, Big Ben, Westminster Abbey and the Tower of London.

The remainder of the morning and early afternoon is then free; perhaps enjoying time at leisure in Covent Garden. Groups of 40 or more students may wish to choose from our range of pre-bookable visits and meals (see pages 5-7).

We will head for home in the afternoon and should arrive back at your school or college during the evening.

Enjoy the gruesome tales of The Keeper of the Heads and the gory stories of the fate that became those committing the worst crime of all; treason against the King or Queen. Queen Boudica will take you on an interesting journey as she battles with the Romans in revenge for going back on their promises and that old rogue Jack the Ripper and body snatcher Ben Crouch might make an appearance as you hear their stories at the Star Inn.

Crossing the vortex in the Tombs, come face to face with all manner of gruesome creatures as you make your way through the catacombs of hell. Expect the unexpected as you feel your way around and be careful of anybody suddenly joining your group - they might not be all that they seem. Probably the world’s most famous zoo, ZSL London Zoo has been entertaining and delighting visitors since it opened to the public in 1847. With over 720 animal species, exciting and innovative new exhibits and heritage-listed buildings almost as famous as their inhabitants, it’s a great London attraction.

Unusually for cats, tigers love water, and visitors will be able to see them hanging out in their custom-built pool. When they’re not playing in the water, the tigers have all-day access to indoor dens where visitors will be able to see the big cats relaxing.

In 2016, ZSL London Zoo opened The Land of the Lions, which at 2500sqm is more than 5 times the size of the previous space at the zoo. The new design enables visitors to get up close to the big cats. Other up-close experiences at ZSL London Zoo are Rainforest Live and Rainforest Night. Animal Adventure, Butterfly Paradise, Meet the Monkeys and the famous Gorilla Kingdom.

Natural History Museum

The Natural History Museum is the UK’s national museum of natural history, and a centre of scientific excellence in taxonomy and biodiversity. The Museum’s mission is to maintain and develop its collections and use them to promote the discovery, understanding, responsible use and enjoyment of the natural world.

The landmark Darwin Centre allows visitors to explore world-class science in action in a dramatic, state-of-the-art science and collections facility. The building is the most significant expansion at the Museum since it moved to South Kensington in 1881 and visitors can see world-leading scientists at work, incredible specimens and exciting displays.

Science Museum

The Science Museum is an impressive tribute to every conceivable area of science, illustrating in depth and detail the many developments in science, technology and medicine that have played a part in shaping the modern world. The Museum has broken away from the usual stereotypical collection and instead offers a more ‘hands-on’ approach to science. No matter what the subject, the Science Museum has a factual and fun way to deliver information.
